Privacy Act Provisions

Under section 3(e)(3) of the Privacy Act 1974, 5 USC 552a(e)(3), each agency that maintains a system of records shall inform each individual from whom it solicits information of the authority which permits the solicitation of the information; whether disclosure is voluntary; the principal purpose for which the information is intended to be used; the routine uses which may be made of the information; and the consequences, if any, resulting from failure by the individual to provide the requested information. This statement is required by the Privacy Act to be furnished prior to the collection and use of the information requested on the application for weatherization. You may retain this statement for your records.

Program Authority

The specific authority for the maintenance of weatherization client information is sections 416 and 417 of the Energy Conservation and Production Act, Pub. L. 94-385. These sections direct the U.S. Department of Energy (DOE), which is a sponsor of this program, to monitor the effectiveness of this program, and to require a weatherization agency implementing this program to keep records for DOE monitoring.

The State of Utah Weatherization Assistance Program is the recipient of weatherization funds from both DOE and the Dept. of Health and Human Services, and is required by 10 CFR 440 to document the eligibility of every dwelling unit weatherized and to maintain records for program monitoring and evaluation.

Voluntary Disclosure

Your responses to the request for information on the Weatherization Assistance Application, Authorization for Release of Information form, and Fuel Information form are entirely voluntary.

Principal Purpose of Information

The information will be used by the local weatherization agency to implement the weatherization program. It will be used by DOE to monitor the effectiveness of the program.

Routine Uses

The information, which you provide, will be used in monitoring and evaluating the effectiveness of the weatherization program. In addition, the information may be used in investigative, enforcement, or prosecutorial proceedings.

Effects of Not Providing Information

Should you decline to provide the information requested on the Application form, your dwelling cannot be considered for weatherization assistance. However, you need not sign the Fuel Information Release form in order to be considered for weatherization assistance.
