**SOUTHEASTERN UTAH ASSOCIATION OF LOCAL GOVERNMENTS SHUT OFF APPOINTMENT AGREEMENT**

Month & Year: \_\_\_\_\_

Client Name(s) \_\_\_\_\_

Scheduling an emergency appointment is only a means to stop the immediate danger of a utility being disconnected. It is not intended to be used year after year as a means to pay your monthly utility bill(s) or receive an appointment sooner than the regular scheduling permits. To qualify for a crisis you must prove a circumstance beyond your control created the crisis.

**PLEASE READ, SIGN AND DATE THE FOLLOWING:**

I acknowledge that the HEAT case worker has counseled me about the above documented emergency appointment(s). It has also been explained to me that any future appointments that I schedule with the HEAT program will need to be scheduled as a regular HEAT appointment. It is my responsibility to keep my utility bill(s) current and paid on time.
